Re: Westwood Fall Annual Town Meeting of November 9, 2015 - Case # 7800
Warrant Articles # 10, 11, 12, 13, 14, and 15 (Zoning)

Dear Ms. Powers:

Articles 10, 11, 12, 13, 14, and 15 - We approve Articles 10, 11, 12, 13, 14, and 15, and the maps pertaining to Articles 10, 11, and 15 from the November 9, 2015, Westwood Fall Annual Town Meeting. We will return the approved maps to you by regular mail. Our comments on Article 13 are provided below.

Article 13 - Article 13 amends the Town’s definitions section to include definitions for the terms “Large Scale Solar” and “Small Scale Solar.” “Large Scale Solar” is defined as “Any Solar Energy Facility which exceeds fifteen (15) kilowatts capacity.” “Small Scale Solar” is defined as “Any Solar Energy Facility which has a capacity of fifteen (15) kilowatts or less.” Article 13 also amends Sections 4.1.7.5 and 4.1.7.6 of the Town’s Table of Principal Uses to allow such uses in the Town. Specifically, Large Scale Solar is allowed as of right in the Town’s HB, I and IO Districts and by special permit in all of the Town’s other zoning districts. Small Scale Solar is allowed as of right in all of the Town’s zoning districts.

General Laws Chapter 40A, Section 3, protects solar energy systems and the building of structures that facilitate the collection of solar energy, and provides in pertinent part as follows:

No zoning ordinance or by-law shall prohibit or unreasonably regulate the installation of solar energy systems or the building of structures that facilitate the collection of solar energy, except where necessary to protect the public health, safety or welfare.

Pursuant to G.L. c. 40A, § 3, towns may not prohibit or unreasonably regulate the installation of solar energy systems, or the building of structures that facilitate the collection of solar energy, except where necessary to protect the public health, safety or welfare. Article 13 cannot be applied in a manner that violates G.L. c. 40A, § 3. We suggest that the Town discuss the application of Article 13 with Town Counsel.
Note: Pursuant to G.L. c. 40, § 32, neither general nor zoning by-laws take effect unless the town has first satisfied the posting/publishing requirements of that statute. Once this statutory duty is fulfilled, (1) general by-laws and amendments take effect on the date that these posting and publishing requirements are satisfied unless a later effective date is prescribed in the by-law, and (2) zoning by-laws and amendments are deemed to have taken effect from the date they were voted by Town Meeting, unless a later effective date is prescribed in the by-law.

Very truly yours,

MAURA HEALEY
