Re: Westwood Annual Town Meeting of May 5, 2014 - Case # 7174
Warrant Articles # 17, 18, 19, 20, 21, 22, 23, 24, and 26 (Zoning)
Warrant Articles # 15, 27, and 28 (General)

Dear Ms. Powers:

Articles 17, 18, 19, 20, 21, 22, 23, 24, 26, and 28 - We approve these Articles, and the map pertaining to Article 24, from the May 5, 2014, Westwood Annual Town Meeting. Our comments on Articles 19 and 26 are provided below.

Articles 15, and 27 - We have retained Articles 15 and 27 for further review and will issue our decision on them on or before our deadline of August 25, 2014.

Article 19 - Article 19 amends the Town’s zoning bylaws to add a new Section 7.4 which allows for Registered Marijuana Dispensaries in one district upon the grant of a special permit from the Zoning Board of Appeals.

Section 7.4 contains the following text regarding the standards for the evaluation of the special permit:

7.4.6 Findings. No RMD Special Permit shall be granted unless the Board of Appeals finds that operations conducted under such special permit, subject to the conditions imposed thereby, will not be contrary to the best interests of the Town.

However, this text in Section 7.4.6 is supplemented by the existing special permit standards contained in Section 10.3.3 of the zoning by-law:

10.3.3. Decision. Special permits shall be granted by the Special Permit Granting Authority, unless otherwise specified herein, only upon its written determination that the adverse effects of the proposed use will not outweigh its beneficial
impacts to the Town or the neighborhood, in view of the particular characteristics of the site, and of the proposal in relation to that site. In addition to any specific factors that may be set forth in this Bylaw, the determination shall include consideration of each of the following:
10.3.3.1 Social, economic or community needs which are served by the proposal;
10.3.3.2 Traffic flow and safety, including parking and loading;
10.3.3.3 Adequacy of utilities and other public services;
10.3.3.4 Neighborhood character, aesthetics and social structures;
10.3.3.5 Impacts on the natural environment; and
10.3.3.6 Potential fiscal impact, including impact on Town services, tax base and employment.

The Board should carefully apply the provisions of Section 7.4.6 together with Section 10.3.3 so that it complies with the requirement in G.L. c. 40A, § 15 that the Board make “a detailed record of its proceedings” setting forth “clearly the reason for its decision and its official actions.” See Wendy’s Old Fashioned Hamburgers of New York, Inc. v. Board of Appeal of Billerica, 454 Mass. 374, 386-87 (2009) (board’s denial of special permit because not in “best interest” of the Town was “unreasonable, whimsical, capricious or arbitrary” and thus invalid). We strongly suggest that the Board consult with Town Counsel during the course of its review of special permit applications under Section 7.4 to ensure that the Board’s decision complies with G.L. c. 40A, § 15.

**Article 26** - Article 26 makes a number of changes to Section 6.2, the Town’s sign by-law. One change deletes Section 6.2.7 and inserts a new Section 6.2.7, which includes a prohibition on billboards in Section 6.2.7.1.

The Town must apply its prohibition on billboards in a manner consistent with G.L. c. 93, §§ 29-33 and the regulations promulgated by the Office of Outdoor Advertising at 700 C.M.R. 3.00 *et seq.*

The power to regulate billboards was granted to the Outdoor Advertising Board pursuant to G.L. c. 93, §§ 29-33. The Board’s powers are exercised by the Office of Outdoor Advertising within the Massachusetts Department of Transportation. See Chapter 25 of the Acts of 2009. General Laws Chapter 93, Section 29, authorizes the State to “make, amend or repeal rules and regulations for the proper control and restriction of billboards, signs and other advertising devices . . . on public ways or on private property within public view of any highway, public park or reservation.” In addition, Section 29 authorizes the Office of Outdoor Advertising to license billboards through the issuance of permits; however, the Office shall not issue a permit unless it gives thirty days written notice of an application to the city or town in which the proposed billboard, sign or other advertising device is to be located.

General Laws Chapter 93, Section 29, also grants to cities and towns the power to regulate billboards, as follows (emphasis supplied):

Cities and towns may further regulate and restrict said billboards, signs or other devices within their respective limits by ordinance or by-law, not inconsistent with sections twenty-nine to thirty-three, inclusive, or with said rules and regulations.
It is not inconsistent with the provisions of G.L. c. 93, §§ 29-33, or the rules and regulations of the Office of Outdoor Advertising, for a town to regulate billboards in the town, even to the extent of a complete ban on billboards such as the Town of Westwood has adopted. See John Donnelly & Sons, Inc. v. Outdoor Advertising Board, 369 Mass. 206, 215 (1975) (town by-law which had effect of prohibiting off-premises signs, was consistent with G.L. c. 93, §§ 29-33, which explicitly provides for local regulation of billboards). Therefore, the Town does have the power to prohibit billboards. However, the prohibition on billboards and other off-premise signs must be applied in a manner consistent with G.L. c. 93, §§ 29-33, and the rules and regulations of the Office of Outdoor Advertising. We strongly suggest that the Town consult with Town Counsel before applying the by-law’s billboard prohibition.

Note: Pursuant to G.L. c. 40, § 32, neither general nor zoning by-laws take effect unless the town has first satisfied the posting/publishing requirements of that statute. Once this statutory duty is fulfilled, (1) general by-laws and amendments take effect on the date that these posting and publishing requirements are satisfied unless a later effective date is prescribed in the by-law, and (2) zoning by-laws and amendments are deemed to have taken effect from the date they were voted by Town Meeting, unless a later effective date is prescribed in the by-law.

Very truly yours,

The Planning Board shall have the authority to approve, in its sole discretion, phased construction of the residential components of a project, independent of the phased construction of the non-residential components of the same project, as long as the total gross floor area of the residential components of all phases does not exceed fifty percent (50%) of the total gross floor area of the project authorized under the FMUOD Special Permit, and as long as no portion of the total land area approved for non-residential components is developed for residential use.
