A Message from the Chair – Julianne Bride

As the Finance and Warrant Commission (FinCom) prepares for the 2019 Annual Town Meeting, I would like to invite Westwood residents to learn more about the role of the Commission and participate in our upcoming public hearings.

The FinCom is a fifteen member Commission whose members are appointed by the Town Moderator to serve three-year overlapping terms. In accordance with the Town Charter, the Commission:

- Considers all articles in Town Meeting Warrants and reports in print its advice, estimates, and recommendations to residents.
- Studies the financial and other affairs of the Town and advises with officers of the Town as to expenditures and recommendations for appropriations.

Preparations to address the articles and the major budgets, capital, municipal and school, actually commence in September each year. As a Commission, we educate new members through workshops and presentations made by various representatives in Town; monitor budgets approved at the previous Town Meeting; and receive information on possible articles for the upcoming Town Meeting. In an effort to keep informed on key topics, FinCom sometimes appoints liaisons to town boards, committees and task forces.

Beginning in January and up until the end of March each year, members engage in a thorough review of all Town Meeting warrant articles. Each article sponsor comes before the Commission on at least two occasions and sometimes as often as four times to discuss their article.

The FinCom has scheduled two sets of public hearings devoted to discussing the important issues on which residents will vote at the May 6, 2019 Annual Town Meeting. These hearings are intended to provide residents the opportunity for public participation and input into matters facing our Town. At these meetings and during additional FinCom meetings, members of the Commission are apprised of the intent, background and details of each article. Through sponsor presentations, member questions and input received from the public, Commission members determine their position and formulate recommendations on the articles. Following public input, the FinCom may vote their recommendation(s) at the first public hearing or may do so at any of their regular meetings held during the month of March.

The FinCom urges your participation at our upcoming public hearings beginning on March 4 and March 25 and at the Annual Town Meeting on May 6, 2019.
First Public Hearing(s) Schedule:
Monday, March 4, 2019 – 7:00 P.M.
Main Library - Community Meeting Room

If business is not finalized on March 4, the hearing will continue to
Tuesday, March 5, at 7:00 P.M.

Commission’s Public Hearing. Updated list of articles will be posted on the website. Please

This article is intended to appropriate funds into the Town’s Stabilization Account. The Stabilization Reserve Account provides funds that can be used to meet some unforeseen, extraordinary expenditure or to be able to absorb a fiscal shock. Maintaining a healthy stabilization reserve is viewed positively by the rating agencies, especially now that Westwood has achieved its reserve fund goal.
