TOWN OF WESTWOOD

Westwood / West Dedham
Residents In the United States Armed
Forces
1775 – 2000

Foreward

In November, 2002 the Westwood Board of Selectmen authorized a committee to develop a database of Westwood residents who served in the armed forces. The committee consisted of:

Joseph D. Clancy , (Chairman)	
Thomas J. Brown	Timothy J. Foley
Christopher C. Henes	William E. Holbrook
Michael A. Jaillet	Paul L. Mullen
Lura S. Provost	Joseph F. Sheehan
Paul J. Sheehan	James M. Sullivan (Veteran's agent)

One of the objectives was to list the individuals who entered the armed forces from a Westwood address. These people are listed alphabetically by war/conflict.

A second objective was to list individuals who entered the armed forces from a different community and subsequently moved to Westwood. This was accomplished. However, the data available would not allow recording by war/conflict. Therefore, you will find an alphabetical list of those who served during the twentieth century.

These honor rolls were completed from the study of various state and local lists of veterans. Each source was invaluable and each one was incomplete. Some data was over sixty years old. This report is the culmination of three years research.

It would be appreciated if the general public would send any corrections to:

Westwood Residents in the Armed Forces Committee
c/o Westwood Town Hall
580 High Street
Westwood, MA 02090

Dedication

This work is dedicated to the men and women of Westwood (formerly West Dedham) who served in the armed forces of the United States of America.

These individuals helped to free and maintain the freedom of our our nation during this period of two hundred and twenty five years.

Acknowledgements

The members of the committee are to be congratulated for developing this record. Each one contributed to the best of his/her ability.

Selectmen Patrick Ahern, Anthony Antonellis, Thomas Dunn and Nancy Hyde are to be commended for their approval of the project and their vision for honoring veterans. A sincere thank you to Mrs. Barbara Benway, Executive Secretary, Mrs. Dorothy Powers, Administrative Assistant and Christine Narciso at the Town Hall for their assistance. A very special thanks to Mrs. Donna McClellan, Manager of Information Technology for the Town, for her expertise and her guidance. Also to Mrs. Barbara Friedman for publishing the various lists in the Westwood newsletter. The following high school students also helped: Matthew McClellan, Jimmy Huang, Courtney Goodie, Ankur Moitra. A special thanks to the staff members of the Dedham Historical Society for their efforts to assist us. The Westwood Historical Society and the Westwood Public Library were also helpful. Finally, a thank you to the many men and women who sent data on themselves, their loved ones and friends. Notably, this included the following individuals who went beyond the call of duty to help: Allen Baker, Curtis Bigelow, John Pritchard, Joan Wiggin and Robert Wood.

The final report is the result of the efforts of many townspeople and a number of individuals who reside in other communities.

Joseph D. Clancy
Chairman
