

BAKE SALES

- ❖ All bake sales require approval by the Health Department.
- ❖ A list of items to be sold must be submitted to the Health Department 2 weeks prior to the event, no exceptions.
- ❖ Baked goods shall consist of cookies, brownies, cakes, cupcakes, breads and SOME whole fruit pies.
- ❖ Baked goods shall NOT consist of pumpkin or custard pie, cheesecake, or items with cream cheese or whipped cream, including synthetic cream (cool whip), or slices of fruit pies.
- ❖ Items that require temperature control (refrigeration or hot holding) ARE NOT ALLOWED.
- ❖ Organizations must keep a log of who baked the item (name, address and phone number) for 2 weeks after the event. Ingredients must be available upon request.
- ❖ Baked goods must be packaged and labeled appropriately. It's a good idea to list nuts or other additives-many people have food allergies.
- ❖ Drinks/coffee or any other food item for sale will require a temporary food permit from the Board of Health - the application is on our website www.townhall.westwood.ma.us.
