	Grades			Grades	
	JAN.	JUNE		JAN.	JUNE
LANG ARTS GRADE 2			MATH GRADE 2		
Reading Literature & Informational Text			Operations and Algebraic Thinking		
Asks and answers questions to demonstrate understanding of key details in text (who, what, where, when, why, how)			Uses addition and subtraction within 100 to solve one-and two-step word problems by using drawings and equations		
Retells stories and determines central message or moral			Fluently add and subtract within 20	-	
Understands and uses various text features to locate key information			Uses addition to find the total number of objects arranged in rectangular arrays and writes corresponding equations		
Applies grade level phonics and word analysis skills in decoding words			Number and Operations in Base Ten		
Reads grade level texts with accuracy and fluency to support comprehension			Demonstrates an understanding of place value within 1,000		
WRITING			Reads, writes, compares, and counts within numbers to 1,000		
Writes narratives recounting an event including details, transitional words, dialogue, and a sense of closure			Fluently adds and subtracts within 100 using place value strategies		
Writes informative texts with an introduction, facts and definitions to develop points, and a conclusion			Uses place value understanding and properties of operations to add and subtract numbers within 1,000 using models		
Writes opinion pieces with an introduction, supporting reasons, and a concluding statement			Mentally adds or subtracts 10 or 100 to numbers within 1,000		
Strengthens writing by editing and revising			Measurement and Data		
Language			Measures, estimates, and compares lengths in standard units		
Applies proper use of grammar, parts of speech, and conventions when writing and speaking			Relates addition and subtraction to length on a number line		
Spells high-frequency words and taught spelling patterns correctly in daily work			Represents and solves word problems involving dollar bills, quarters, dimes, nickels, and pennies		
Determines and clarifies the meaning of unknown words based on reading and content			Tells and writes time from analog and digital clocks to the nearest 5 minutes		
			Represents data using picture graphs, bar graphs, and line plots and solves problems using information presented in bar graphs		
			Geometry		
			Recognizes and draws 2-D and 3-D shapes having specified attributes		
			Partitions circles and rectangles into equal parts and describes the shares using the words halves, thirds, and fourths		

Elementary Report Card Grading Scale

- | | | |
|--|--|---------------|
| 4 - Meets or exceeds June expectations | N/A - Not applicable or not assessed at this time | U - Usually |
| 3 - Steady progress towards June expectations | | S - Sometimes |
| 2 - Progressing towards June expectations with additional time & support | X - Unit(s) addressing this concept/skill have not yet been taught | R - Rarely |
| 1 - Working on concepts and skills below grade level | | |

SCIENCE GRADE 2			ART GRADE 2		
Earth and Space Science			Skills, Knowledge, Concepts		
Mapping landforms and bodies of water, explore where water is found on earth and may be liquid or solid, explore the effects of wind and water on land Earth materials			Renders an object from observation using basic shapes. Can render from different sides and perspectives. Weaves paper: overlapping vertically and horizontally.		
Life Science			Explores the use of symbols and signs to communicate feelings and ideas.		
Explore animal and plant ecosystems and compare living things within ecosystems			Creates artwork from memory or imagination to tell a story.		
Physical Science			Describes how the viewer feels about the artwork (personal reaction).		
Classify materials by their property, explore purpose of materials by property, changes to properties of materials through heating & cooling, exploration of the connections between friction, temperature & speed			Respect, Responsibility and Work Habits		
Engineering Design			Engages positively in art room activities and discussions.		
Use data from investigations to analyze strengths and weaknesses of how two objects designed to solve a problem perform			Demonstrates considerate & cooperative behavior. Knows & applies art room rules and safe practices.

				JAN.	JUNE
SOC STUDIES GRADE 2			MUSIC GRADE 2		
			Create, Perform, Respond		
The Westwood Public Schools is currently reviewing and making revisions to align the social studies curriculum with new state standards.			Create: Composes & notates simple melodies and/or rhythmic patterns accurately.		
Demonstrates understanding of grade level topics in history, geography, civics and economics.			Create: Creates and performs musical stories.		
Uses evidence and reasoning to support arguments and conclusions.			Perform: Sings simple melodies with pitch accuracy.		
Integrates information from multiple sources.			Perform: Performs on classroom instruments with beat competency.		
			Respond: Shows musical concepts through movement.		
			Respond: Describes the music they hear, using appropriate musical vocabulary.		
			Respect, Responsibility and Work Habits		
			Engages positively in classroom activities		
			Knows and applies classroom rules and safe practices		
			Accepts risks and challenges

PHYSICAL EDUCATION GRADE 2		
Skills, Knowledge, Concepts		
Throws overhand to a partner demonstrating a mature pattern		
Catches a ball thrown by a partner		
Demonstrates the ability to change speeds, directions, and pathways in open space		
Performs a simple gymnastic sentence combining rolls, travels, and balances on and off equipment		
Monitors heart rate before, during, and after physical activity		
Creates dance sequences using action words		
Respect, Responsibility and Work Habits		
Demonstrates considerate and cooperative behavior		
Appreciates that people have differences and similarities in physical activity settings		
Accepts risks and challenges
