MVP Community Resilience Program Listening Session

This meeting is a public listening session that will present the findings from the working group session hosted back in the Fall of 2019.

NOTE: Per changes to Open Meeting Law, effective July 1, 2010, notice of any meeting of public body shall include "A listing of topics that the chair reasonably anticipates will be discussed at the meeting". Topics must give enough specificity so that the public understands what will be discussed, but not necessarily all items that may come up. Please list those topics above.
