July 6, 2020

Westwood Residents,

I want to thank all of you for your efforts in our response to the COVID-19 health pandemic and for helping Westwood flatten the curve. Governor Baker announced the Commonwealth entered into Phase 3 of the Reopening Plan effective today Monday, July 6, 2020.

For the Town of Westwood, this includes allowing game play for youth and adult sports on our fields and re-opening the town pool. The pool will be open by reservation only so, please contact the Westwood Recreation Department at (781) 461-0070 for more information about the new pool procedures and field usage.

Please remember that in Phase 3, the guidance on the use of face coverings, social distancing and frequent hand washing remain in effect. Continued adherence to these protocols is the key to minimizing the spread of the virus as we carefully re-open.

The Town has been notified from our vendor Simple Recycling which is the company that has been providing the town with curbside collection for textiles (which are clothing and accessories), due to COVID-19 and unforeseen circumstances the company will provide one last collection during the week of July 13<sup>th</sup> through July 17<sup>th</sup>, 2020. Please place your pink bags curbside by 7:00 a.m. on your regular trash collection day. After next week's collection, Simple Recycling will no longer provide this service to the town.

I want to restate, the last collection is scheduled for next week July 13<sup>th</sup> through July 17<sup>th</sup>, 2020. The collection will occur for every resident on your scheduled trash collection day.

Simple Recycling has informed the town they will not return for items that are not placed curbside by 7:00 a.m. on your trash collection day.

If you need some pink bags they are available free of charge at 50 Carby Street outside of the main entrance while supplies last. Please only take the amount of bags you need.

Please visit the town's website [www.townhall.westwood.ma.us](http://www.townhall.westwood.ma.us) for more information.

As we have entered into Phase 3, please maintain social distancing, follow the Governor Baker's May 1, 2020 order regarding face coverings and continue with frequent hand washing.

Thank you for patience and by working together we can carefully re-open the Commonwealth and the Town.
